This is your opportunity to purchase an established Courier Franchise, which still has lots of potential for further growth.

Fastway Couriers actively build their courier runs to maximum capacity, before splitting the territory and selling part of it. This allows them to make a capital gain, and then continue focusing on building up their "split" area.

Some Courier Franchisees have split their original area up to 5 times. The list shows details of established Courier Franchises now available for sale. The cost of an existing Courier Franchise varies according to size and turnover.

Benefits of a Fastway Franchise:

- Full training and ongoing support and assistance.
- Proven, successful international franchise system established in 1983.
- Perpetual franchise agreement with no renewal fees.
- A five day working week.
