

New Regional Franchise

➤ [Place your online enquiry click here](#)

This is one of the few remaining ground floor opportunities to build a Fastway Regional Franchise business in the UK

Extensive training and assistance is given both during the establishment phase and on an ongoing basis.

Unlike other franchise systems, the franchise agreement is perpetual and completely exclusive.

Regional Franchisees recruit a team of Courier Franchisees and then act as their business coach to assist them to grow their business. They also provide the sales assistance and facilities necessary for the Courier Franchisees to operate their business.

Benefits of a Fastway Franchise:

- Full training, support and assistance given to you during your start up phase as well as 2 days per month ongoing support and training.
- Proven, successful international franchise system established in 1983.
- Perpetual franchise agreement with no renewal fees.
- A five day working week.
