

New Regional Franchise

North Wales and Chester

➤ [Place your online enquiry click here](#)

This is one of the few remaining ground floor opportunities to build a Fastway Regional Franchise business in the UK

Extensive training and assistance is given both during the establishment phase and on an ongoing basis.

Unlike other franchise systems, the franchise agreement is perpetual and completely exclusive.

Regional Franchisees recruit a team of Courier Franchisees and then act as their business coach to assist them to grow their business. They also provide the sales assistance and facilities necessary for the Courier Franchisees to operate their business.

Your Franchise:

- Your exclusive territory encompasses North Wales & Chester with possibility for expansion
- Number of territories 10
- Population of territory approximately 523,337
- Number of businesses: 26,591

Benefits of a Fastway Franchise:

- Full training, support and assistance given to you during your start up phase as well as 2 days per month ongoing support and training.
- Proven, successful international franchise system established in 1983.
- Perpetual franchise agreement with no renewal fees.
- A five day working week.

➤ Investment:

Franchise fee £45,000* plus minimum £150,000 working capital.
